Professional Experience

- Centralized Data Clerk** | Assessment Service Branch GoA, Edmonton, AB Jun 2024 – Sep 2024
- Assisted in the preparation and execution of a comprehensive information and records management framework.
 - Reviewed and meticulously prepared municipal assessment files for large-scale digitization.
 - Ensured all daily workflows strictly aligned with provincial information retention and privacy policies.
- Administrative Assistant** | Transportation & Economic Corridors GoA, Edmonton, AB Jun 2023 – Sep 2023
- Managed the active and semi-active records areas for the office, handling document coding, filing, and boxing inventory.
 - Performed high-volume data entry and maintained detailed tracking sheets utilizing OpenText and Microsoft Excel.
 - Created and updated standardized electronic file structures on the shared department drive to improve document retrieval efficiency.
 - Assigned retention schedules and prepared physical records for secure offsite storage compliance.

Community Consulting & Leadership

- Community Marketing Consultant** | Academic Projects, MacEwan University 2025 – 2026
- Partnered with local Edmonton businesses (a B2B land stewardship company and a retail thrift store) to evaluate and modernize their outreach and operational strategies.
 - Conducted market research, compiled competitor analysis reports, and presented actionable business recommendations to external stakeholders.
- VP of Marketing & Events** | VGC, MacEwan University 2025 – 2026
- Directed event logistics for weekly gatherings of 30+ attendees, including booking venues, ordering supplies, and managing itineraries.
 - Coordinated cross-functional volunteer teams to decorate event spaces and ensure smooth operational flow.
 - Acted as the primary host and communicator, presenting on stage and facilitating engagement for a 100+ member organization.
