Currently based in New Brunswick — relocating to Alberta | Available for interviews virtually

CAREER OBJECTIVE

Detail-oriented and highly adaptable Administrative and Executive Assistant with 15+ years of experience across office management, executive support, scheduling, customer service, and workflow coordination. Recognized for exceptional written and verbal communication skills, strong organizational instincts, and the ability to independently manage competing priorities in fast-paced and remote environments. A true generalist — comfortable handling a wide range of administrative, HR-adjacent, and operational tasks with accuracy, discretion, and professionalism. Technically proficient with a proven ability to quickly learn and adopt new tools and systems. Seeking a part-time Administrative or Executive Assistant role where I can contribute immediate, high-impact support.

KEY SKILLS

Administrative & Executive Support

- Calendar, inbox, and schedule management | Correspondence & documentation | Travel coordination
- Invoicing, expense tracking & basic bookkeeping | Procurement & vendor relations
- HR support, onboarding coordination & employee file maintenance
- Data entry, records management & confidentiality compliance

Communication & Interpersonal

- Exceptional written and verbal communication across email, phone, and chat
- Client, staff & vendor coordination | Dispute resolution & customer care

Organization & Adaptability

- Independent task prioritization in remote and in-person environments
- Problem-solving, attention to detail & process improvement mindset
- General computer proficiency | Rapid learner of new software and tools
- Team leadership, training & performance monitoring
